Kihon techniques must be delivered with good spirit, proper timing, focus and kime

Kata should be performed without mistake; using good spirit with good correct timing and kime. Kata begins and ends with etiquette

Students must demonstrate an upgrading of quality in stance, speed and power. Kata should be performed without mistakes and using tempo, continuation and transmission of power. Kumite should be accurate in offence and demonstrate effective defence and counter attack.

Juniors under 12 years old will progress by Sen grades (junior grade system) which allows more time to achieve the required standard expected for each grade.

To achieve a "double grade" award, students must make no major mistakes during the grading, having also demonstrated good spirit and etiquette. Grading examiners will take into account how much effort students demonstrate during normal training sessions.
